

QUALITY POLICY STATEMENT

A.G Leventis (Nig.) Limited, a leading conglomerate in Nigeria, with real estate, sales and after-sales of heavy and light duty trucks, fleet logistics solution, retail and assembling of trucks and buses as its core business portfolio is fully committed to consistently provide the highest quality of products and services to its customers that exceed their expectations.

To meet the objectives of the Quality Policy:

- ❖ We shall actively and continually pursue quality improvements that meet the ever-changing needs of our customers through programs that enable our employees to do their jobs right, the first time.
- ❖ We are committed to improving the environment in which we do our business through compliance with statutory and regulatory requirements.
- ❖ We shall ensure continual improvement of product or service quality through feedback and implementation of risk based thinking approach/corrective actions.
- ❖ We shall employ the latest available technology, provide adequate resources and train and involve employees at all levels in the improvement of quality in their respective areas of activities.
- ❖ We shall implement and maintain a Quality Management System in line with the requirements of ISO 9001:2015 Standard.

Management will ensure that the Quality Policy and quality objectives are established, communicated, understood and maintained at all levels.
